

CNC WOODWORKING MACHINE OPERATORS:

O'Keefe Inc. located in River Falls, WI is a leading manufacturer of Architectural Woodworking and Custom Cabinetry products serving the commercial construction industry. We are seeking experienced CNC Machine Operators to start immediately!

We offer a great working environment and room for career advancement.

Hours are Monday - Friday 6am to 2:30pm.

Overtime is required depending on work load.

Competitive compensation based on experience!

This position is responsible for producing cabinet and custom parts using a computer numerical control (CNC) router, edgebander, molder, wide belt sander, dowel insertion machine, beam saw or other power equipment for projects.

Qualified candidates must be able to program, set up, and operate a CNC machine, while maintaining quality and safety standards, keeping records, and maintaining equipment and supplies. Previous experience machining custom millwork is a plus.

This is a position that requires a person with excellent communication skills and the ability to problem solve. Must be detail oriented and have the ability to multi-task and work independently.

As leaders in the woodworking industry we take pride in providing unsurpassed service, quality product, and on time deliveries for our clients. Our innovation drives winning performance and our people strive to be the very best at every aspect of our business. You will be surrounded by some of the best and brightest people within the industry.

O'Keefe Inc. is a fantastic place to start your career!

O'Keefe Inc. offers superior career growth opportunities, above average salaries, and benefits with a dynamic work environment.
