

CUSTOM CABINET BUILDER

O'Keefe Inc. is a leading manufacturer of Architectural Woodworking and Custom Cabinetry products, serving the commercial construction industry. We are seeking experienced Cabinetmakers to join our skilled team of craftsmen. As part of our cabinet making team you'll take a vision and make it a reality!

We offer a great working environment and room for career advancement.

Hours are Monday - Friday 6:00am to 2:30pm
Some overtime is required depending on work load

Job Responsibilities:

- Read architectural drawings and work orders to develop sequence of cutting or machine operations to fabricate custom products
- Produce quality custom cabinets and specialized millwork
- Handle woodworking equipment and tools proficiently and safely
- Meet production goals with precision

Job Requirements:

- Experience in millwork, cabinet making, laminate materials and solid surface fabrication
- Skilled use of sanders, routers, saws and woodworking hand tools
- Proficient at using a tape measure
- Ability to read architectural drawings
- Ability to work independently

As leaders we take pride in providing unsurpassed service, quality product, and on time deliveries for our clients. Our innovation drives winning performance and our people strive to be the very best at every aspect of our business. You will be surrounded by some of the best and brightest people within the industry. O'Keefe is a fantastic place to support your career!

We offer a competitive compensation and benefit package. If you are interested in being considered for this position please submit a resume and cover letter to:
